45 jeunes Irlandais et quatre professeurs du lycée Colaiste-Bhríde vont découvrir pendant dix jours le pays de Château-Gontier.

Après les quelques mots de bienvenue prononcés par l'adjoint au maire, Patrick Leroux, un pot a été offert à nos homologues d'outre-manche, vendredi matin. Ils étudient à Carnew, au sud de Dublin.

En octobre, 45 élèves des classes de seconde et première du lycée Victor-Hugo se sont rendus en Irlande, accompagnés de leurs professeurs. « **C'est la première année qu'un vrai échange a lieu. La section européenne est ouverte depuis trois ans. C'est le début d'une longue aventure,** déclare enthousiaste M. Frétygné, professeur d'anglais dans cet établissement. **La section européenne est une option qui a du succès, puisqu'il y a plus de demandes que de places disponibles.** »

Las mujeres de España están llamadas a hacer historia este jueves en una huelga inédita. Con el lema *Si nosotras paramos, se para el mundo*, saldrán a las calles a exigir igualdad real entre hombres y mujeres en las manifestaciones y concentraciones convocadas en todo el país. No es un paro laboral al uso: la protesta se extiende al ámbito de los cuidados, de los que se ocupan en gran medida las mujeres, al consumo y al entorno estudiantil. Hay movilizaciones en 170 países convocadas por el Día Internacional de la Mujer, pero España es el único con una huelga general avalada por los sindicatos.
