

My Name:

Presentation:

### OVERALL APPEARANCE OF PRESENTATION

What I liked about this presentation is

- it's creative and attractive       visuals are well chosen and clear       visuals are in the right place

other

What I would do to improve its appearance:

### STRUCTURE OF THE PRESENTATION

I found the structure of the presentation

- clear       well organised       difficult to follow       confusing

other

### CONTENT AND PRESENTATION SKILLS

I found the content of the presentation

- confident       a little lacking in confidence       clear       difficult to hear       engaging       a little flat

other

### MY OWN LEARNING FROM THE PRESENTATION

I learned that

Some new words I learned are:

### USE OF TARGET LANGUAGE

What I liked about this presentation is (please tick where relevant)

- Excellent use of vocabulary from the topics covered
- Good use of vocabulary from the topics covered
- Limited use of vocabulary from the topics covered
- The presentation is mostly grammatically correct and includes a good variety of phrases and sentence structures.
- The presentation is generally grammatically correct and includes some variety of phrases and sentence structures.
- There are many grammatical errors and there is a limited variety of phrases and sentences structures.

easy to understand because

difficult to understand because
