Create a Grid

A Grid is for your students, personal learning community, staff, school, or anyone!

Grid = Classroom

September 1, 2018

Our #Booktalks

In less than 60 seconds, share your booktalk on our recent read, The Martian. **Make sure to address:**

- Your favorite STEM moment from the book
- An area where the science surprised you
- What you think is next for Mark Watney

+27

Add Topics

Topics are discussion prompts, themes, or challenges for your Grid community.

Topics = Classroom Activities

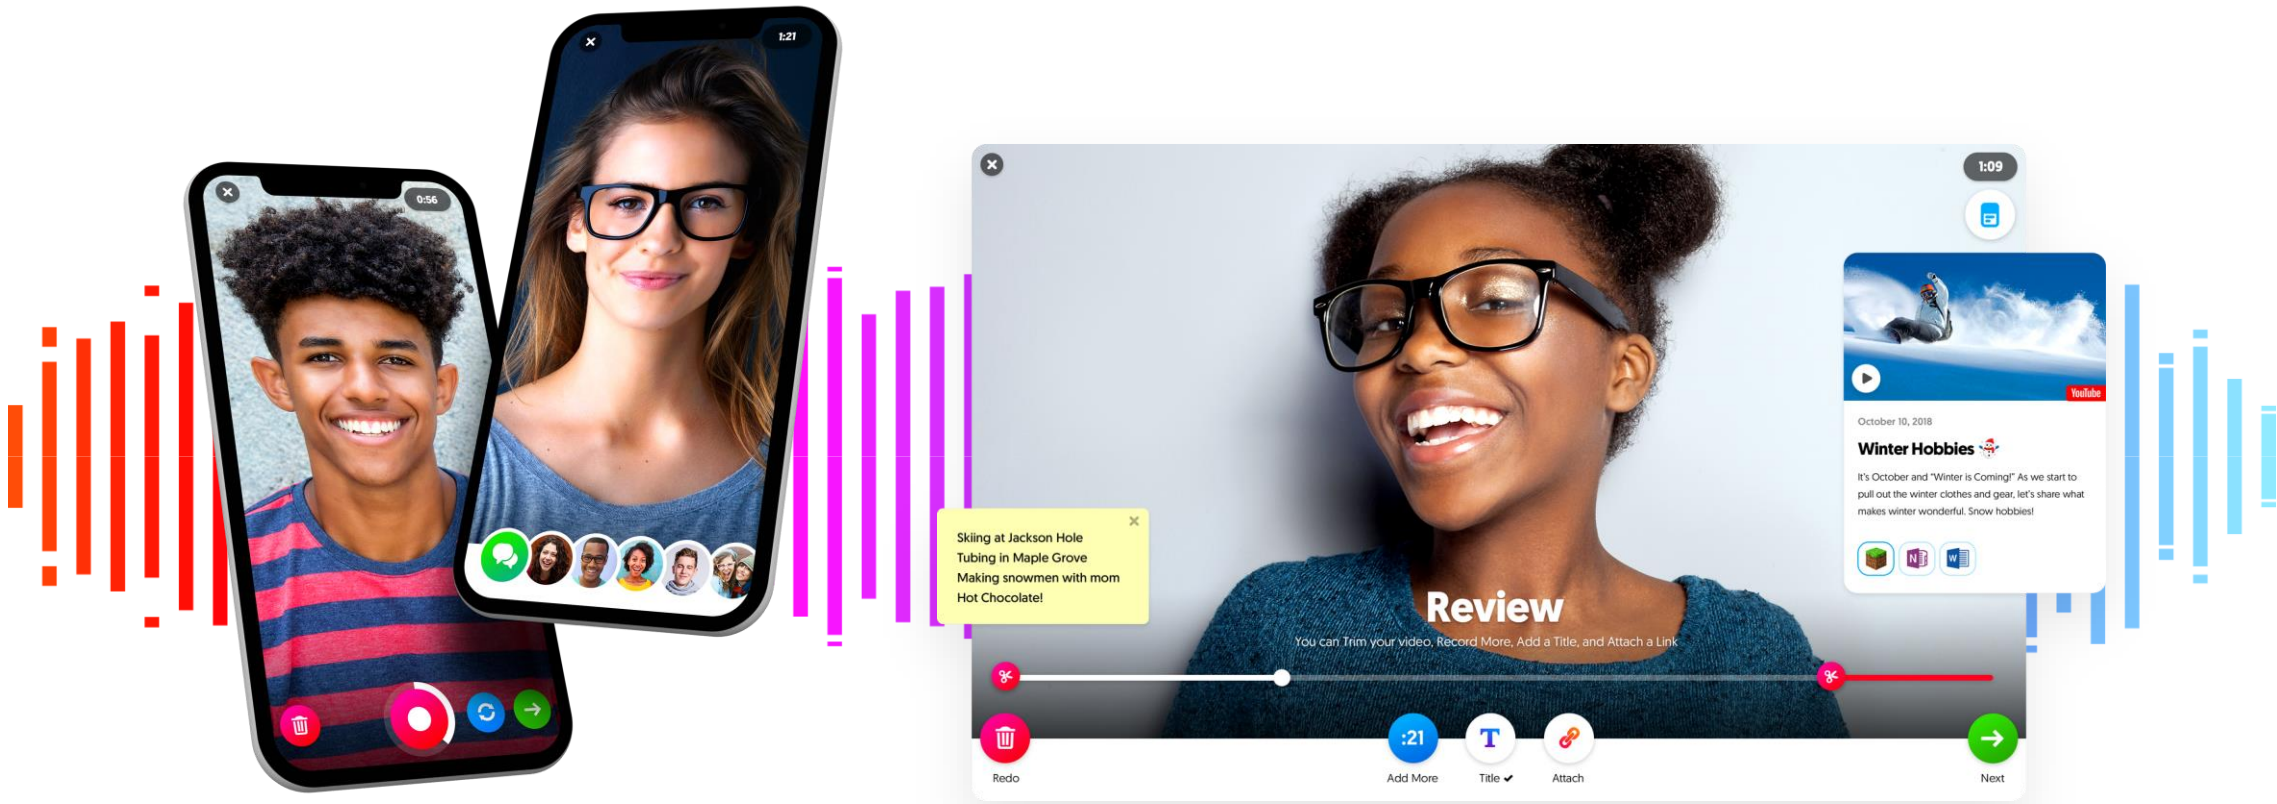
OneNote

+100s more

ktalk on our
address:

e book
d you
ney

+27



Students Share

Students respond to Topics by capturing or uploading short videos that are shared with your Grid community.

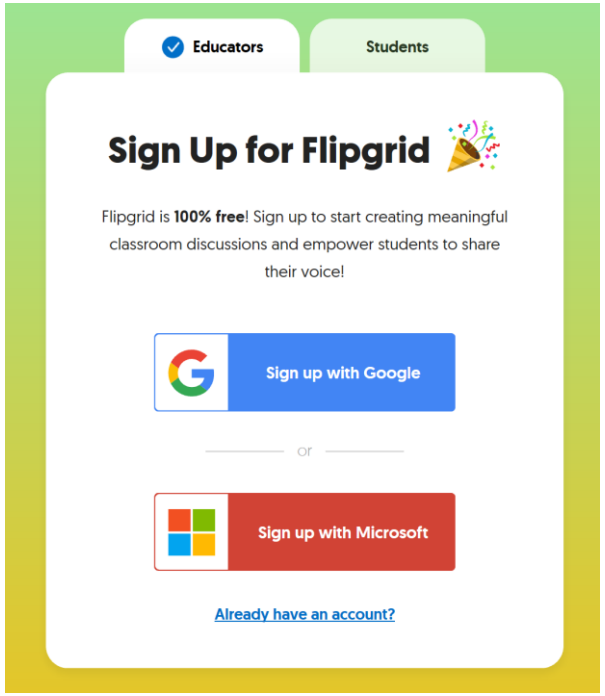
Where can I start my Flipgrid adventure?

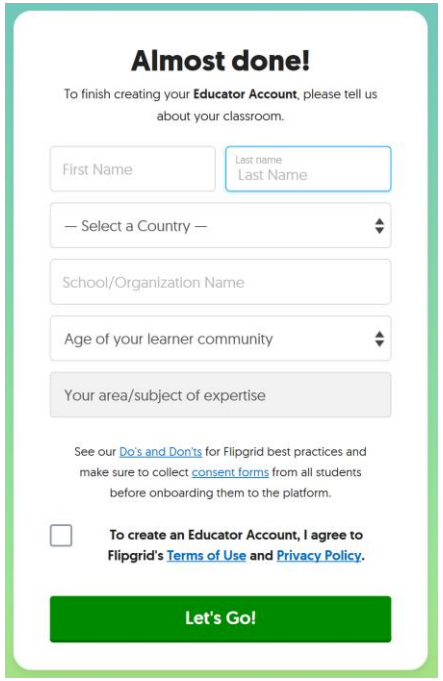
Creating a Flipgrid Account

1. Go to www.Flipgrid.com and click **Sign up. It's FREE!**

2. Sign up using your Google or Microsoft Account



3. Share a little about yourself.



Where can I find Flipgrid inspiration?

"Endless use cases!"

PreK-8

- Icebreakers + goal setting
- Book talks and commercials
- Family connections
- Current + historical events
- State of the Classroom
- #GridPals
- Aha moments
- Think alouds + reflections
- Mathematical thinking + help
- Virtual + physical field trips
- Fluency and phonics
- #Fliphunt adventures
- Compare and contrast
- Recorder karaoke
- Physical Ed demonstrations
- Science fairs
- Newscasts
- Progress reports

High school

- Book speed dating
- Reflections
- World language learning
- Quote analysis
- Scientific reactions + research
- Figurative language smackdowns
- Physical Ed training
- Digital rehearsals and concerts
- Prove formulas
- Abstract reasoning
- Final project showcase
- Virtual art show
- PSAs and school announcements
- Commercials
- Persuasive writing and debates
- Peer review
- Process over product
- Welcome advice for new students

University

- Office hours
- Socratic discussions
- Research presentations
- Advisor check-ins
- Goal setting
- Team collaboration
- Course reviews
- Showcases
- Guest speakers
- Introductions
- Expert connections
- Study groups
- Flipped classroom
- Professional collaboration
- Assignment reviews
- Device orientation

Staff + PLC

- Staff celebrations
- District introductions
- Video voicemail
- Professional Development
- Community connections
- Virtual presentations
- School Yearbooks
- Goal setting
- Team book clubs
- Staff meetings
- Digital career days
- #GridPlans
- Virtual tours
- Meet the staff

Enterprise

- Knowledge base development
- Employee onboarding
- Mentoring
- Reverse mentoring
- Sales performance training
- Team collaboration
- Product reviews
- Conferences / events
- School events
- Public outreach
- Focus groups
- Marketing development
- Point of purchase experience
- Blog / news discussion

Flipgrid

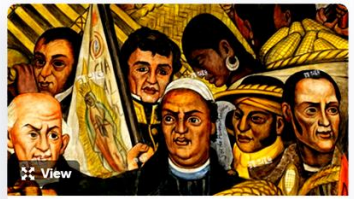
My Advice to You....

hat do you wish you knew before starting this hool year? What advice can give next year's udents to help them have a very successful year? ive your best advice and tips and it will be ared with future students!

Welcome... Let's Amplify!

pgrid is where we share short video reflections d stories with our community, allowing eryone to participate in the conversation. It's ick, simple, and fun!

troduce yourself in 30 seconds or less. Describe ur area of expertise and share a recent success ory from your classroom or community!



Mexico Independence impact on Texas

Please reflect on how the filibusters events [Philip Nolan, Gutierrez-MaGee Expedition, the Long Expedition] influenced Father Hildalgo [Cry of Delores speech], Father Morelos and other Mexican revolutionaries in action against Spanish rule? How do you think the Mexican Revolution impacted Texas?

What's In Your Suitcase?

What if you had to escape from your home tomorrow. You do not know whether and when you will return. Remember you can only have one suitcase and you are probably going to leave your country on foot or by road. You might not always be sleeping in a house at night. Take 5-10 minutes to decide what you will take." Resource - What's in my bag?

Add responses to the Our Global Class...
Web

Would You Rather...?

Would you rather have a homework robot or a robot that cleans your room? Pick & defend your opinion!

Would You Rather? Suggestion Box
Web

Meet Your Classmates

Want to know who is in your class before the first day of school?? Record your video and tell us about yourself and then watch the others who will be in our class as well. Make sure you talk about YOU [What was your favorite thing to do this summer? What do you do for fun? What is your favorite activity in school? What are you excited about for next year?]

Meet Your Classmates
Web

yourself build that number with the provided manipulatives.

How can you Flipgrid?

How can you use Flipgrid to increase engagement, enhance student voice and check for understanding in your classroom?

New to the post?

What advice would you give to an NQT just starting out on their teaching career? With hindsight, what might you have done differently? What mistakes did you make in the early days that you could have avoided? What pitfalls would you avoid if you were starting out again?

Pancake Ratios

A PANCAKE RECIPE USES 3 CUPS FLOUR AND 2 CUPS MILK

If the number of cups is increased to 9 cups of flour, how much milk is needed?

Show at least 2 different representations

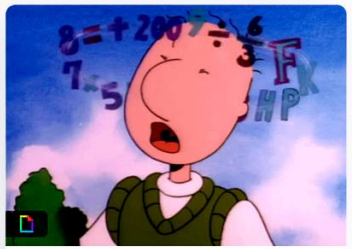
March Reading Responses

Found a story that you think others MUST READ? Share your book, a brief summary and what makes it such a great read.
Who would be Lucky to read this book? Why?

If Elon Musk was president...

What do you think it would be like if Elon Musk was president? What do you think change?

How would your day to day life change? What ideas do you think he'd have for our roads and transportation systems. How would our energy usage change?



Long Division

Explain the steps you do to get the answer to 324 divided by 4. Then, write 3 long division problems on your white board for your classmates to solve. Hold it up so they're able to see your questions. After you film your video, you reply to at least 2 classmates and solve their problems. Show your work on your white board so we know how you got your answers.

Sight Word Studio!

We know sight words, yes we do!
We know sight words, how 'bout you?
Choose a sight word from the basket. Using y dry erase board and marker, record a video reading the sight word, writing it 3 times, and using it in a sentence.

Drawing Conclusions

1) Watch the Marcelino and Bartolomeo: Bye Video
**As you watch, be thinking about what migh happen to Bartolomeo

2) After watching the video, explain your conclusion about what happened to Bartolor and how you know.
