

Holidays and Festivals

Task: I am on a holiday: a digital story

Topic Overview

This topic should enable students to recognise and use some basic words and phrases to talk about and describe holidays. Students will research holidays in the target language country/countries. Students will also learn about famous festivals from the target language country/countries. Students may take material that is relevant to this topic from a wider pool of information provided.

Task Description

Students in small groups create a digital story to describe their holiday in the target language country.

Learning Outcomes

- Recognise and use simple everyday phrases and words related to the topic of holidays.
- Research and present simple information through the appropriate use of digital technologies.
- Create a simple digital story describing a holiday with friends, working in a group.
- Make short recordings of themselves, with words pronounced accurately enough to be understood.

Resources

- Holiday brochures and magazine cutouts
- YouTube videos
