

Holidays and Festivals

Task: A holiday abroad: A secret-windows poster

Topic Overview

This topic should enable students to recognise and use some basic words and phrases to talk about and describe holidays. Students will research holidays in the target language country/countries. Students will also learn about famous festivals from the target language country/countries. Students may take material that is relevant to this topic from a wider pool of information provided.

Task Description

The aim of this task is for students to create an A3 size poster illustrating their idea for a trip abroad to see a particular event/festival. Students imagine, plan and detail their ideal trip to the target language country...on a budget! They do so under five headings: where, when, how, why and how much.

Learning Outcomes

- Identify basic information such as places and prices in a range of texts and media dealing with topics relating to holidays, festivals and events.
- Research places, events and costs for their holiday.
- Use facts and figures and apply language learnt to create a poster which includes basic information about a holiday in a target language country.
