

My Name:

Overall appearance of presentation

What I liked about this presentation is

- it's creative and attractive visuals are well chosen and clear visuals are in the right place

other

What I would do to improve its appearance:

Structure of the presentation

I found the structure of the presentation clear well organised difficult to follow confusing

other

Content and presentation skills

I found the content of the presentation

- confident a little lacking in confidence clear difficult to hear engaging a little flat

other

My own learning from the presentation

I learned that

Some new words I learned are:
