

Something from our Culture Box!

FLA/CT Showcase Competition 2023

Work together as an FLA-CT team to devise a show-and-tell type teaching resource.

The resource should bring an aspect of the target language culture to life in the classroom!

You can showcase your teaching resource by sending a PDF document or PowerPoint presentation, outlining the culture box item and how it was used effectively within a lesson(s).

Ideas might include:

A current trend in the target language society.

Cultural comparisons between the local town, where the school is located, and the FLA's hometown.

The famous local chocolate from my hometown.

Prizes

Book vouchers, to the value of €200 for the three best entries!
