

# TY Module Non-Beginners

## The Great **Polish** Language Apprentice Challenge

Name five Polish companies operating in Ireland.

Name five Irish companies with offices in Poland.

Use the catalogues from an online supermarket in Poland to find three Irish products you can buy there (suggested websites: [www.gazetki.pl](http://www.gazetki.pl), [www.biedronka.pl](http://www.biedronka.pl), [www.carrefour.pl](http://www.carrefour.pl))

Find one Polish advertisement on YouTube. Write down one point you learned and note three words that you understood.

Watch three of the Languages Connect career videos and write one point you learned about the importance of language learning from each one.  
<https://languagesconnect.ie/at-work/>

Interview someone who uses a language in the course of their job, apart from teachers in your school, and write or record three things you have learned from them.

Using online catalogues, compare the price of any product that you find for sale in both a Polish supermarket and an Irish supermarket.

Read the business section of a Polish newspaper and write down one thing you learned.

Look up **marketing terms** and find the Polish words for five of them. Use each of them in a sentence.

Research third-level courses in Ireland that combine Polish with a skill (IT, Science, Business).  
Suggested website: [careersportal.ie](http://careersportal.ie)

Find out if any of the **Global 500 companies** are in Polish-speaking countries.  
Suggested website: [brandirectory.com/rankings/global/table](http://brandirectory.com/rankings/global/table)

Find a **top global CEO** who speaks Polish and another language  
Suggested website: [9 Fortune 500 CEOs who speak another Language](http://9 Fortune 500 CEOs who speak another Language) [babel.com](http://babel.com)

Find **three jobs** advertised on [Jobs.ie](http://Jobs.ie) that require Polish

Watch the **business section** of the news in Polish and write down one thing you learned
